BEST DESIGN TIP:

Your home is an outward manifestation of your inner experience; a reflection of yourself. Make it a place you love (and typically that always means buying the bigger light fixture).

FAVORITE PATTERN:

Anything crafted by hand /natural materials & textures in ceramics, mmm-buddy!

BEST ADVICE:

What you seek, is seeking you

HIDDEN TALENT:

Worst cook in the office; 2013 – present

MOST INSPIRING TRIP:

There's not just one destination I could list! Patagonia, Bali, New Zealand?!
